Donors make it possible

2016 CommunityHealth Annual Report
Mission
Serving those without essential health care

Vision
Delivering healthier communities
"Keep helping the clinic, because they are saving lives. They are saving so many lives. So many!"
Maria, patient

IN 2016, WE SERVED

13,032 patients
1,405 new patients

Most come from working households

Most CommunityHealth patients had a household income of:

less than $24,625 for a family of 4
less than $11,770 for an individual
HOW WE HELP

33,095 prescriptions dispensed valued at $13.5 million

46,806 volunteer hours

1,164 active volunteers

1,811 dental visits
We provide innovative programming to help our patients get these conditions under control. For example, clinical pharmacists see patients with diabetes and hypertension for individual counseling sessions, and access to peripheral services like dental and mental health are integrated into chronic disease care plans. These interventions have demonstrated significant improvement in clinical outcomes.

In 2016, the Diabetes Care Group provided appointments for 299 patients. Appointments provide patients with access to personal diabetes counseling.

56% of patients live with at least one chronic condition like diabetes, high blood pressure, or asthma.
56% of female patients 50 - 75 years old had a documented Breast Cancer Screening in the past 2 years

The national average for the uninsured is 38%

69% of female patients 30 - 65 years old had a documented Cervical Cancer Screening in the past 5 years

The national average* for the uninsured is 61% *Based on a screening every 3 years
69% of patients were screened for HIV.

The national average* for the uninsured is 54%.

*Based on a screening once in a person's lifetime.

58% of patients 50 - 75 years old had a documented colorectal cancer screening in the past 2 years.

The national average for the uninsured is 24%.
$9 million
Your support helps reduce emergency department overuse across Chicago area hospitals, saving up to $9 million each year

$1 donated
$7 medical care

97%
of patients would recommend us to friends and family

87%
said being a patient improved both their physical and mental health
### Audited Statement of Activities Ending December 31, 2016

Net Assets at the End of the Year $6,101,924
The donors recognized on these pages — and the many others that space prohibits us from listing — supported CommunityHealth in 2016 through their generous financial gifts, grants, and in-kind donations. Because CommunityHealth is not reimbursed by Medicare, Medicaid, or any third-party payer, donors are the lifeblood of the organization. We are privileged to have their confidence and support.
